HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

AUTHORITY: *section 589.681, RSMo Supp. [2007] 2013. Emergency rule filed Aug. 17, 2007, effective Aug. 28, 2007, expired Feb. 28, 2008. Original rule filed Aug. 17, 2007, effective Feb. 29, 2008. Emergency amendment filed Sept. 9, 2016, effective Sept. 19, 2016, expires March 17, 2017. A proposed amendment covering this same material is published in this issue of the Missouri Register.*

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

PURPOSE: This amendment changes the name of the program that pays for woman's health services for uninsured women, clarifies the income limits for the program, suspends the federal expenditure authority for the program, and restricts payment for woman's health services for uninsured women from being made to any organization that provides abortion services.

PURPOSE: This rule establishes the [Uninsured Women's Health] State-Funded Missouri Woman's Health Services Program. This program will provide payment for women's health services for uninsured women who do not qualify for other medical assistance benefits, and would lose their MO HealthNet eligibility sixty (60) days after the birth of their child or sixty (60) days after a miscarriage, and for women ages eighteen (18) to fifty-five (55) who have a net family income of at or below one hundred eighty-five percent (185%) (which is the same as a modified adjusted gross family income of at or below two hundred one percent (201%)) of the Federal Poverty Level (FPL) and have assets totaling no more than two hundred fifty thousand dollars (\$250,000), in order to reduce the possibility of a family's future dependence on welfare as authorized pursuant to section 208.040, RSMo. [The program is authorized pursuant to award of the Missouri's Women's Health Services Program approved by the Centers for Medicare and Medicaid Services.]

(1) Uninsured women who do not qualify for other medical assistance benefits, and would lose their MO HealthNet eligibility sixty (60) days after the birth of their child or sixty (60) days after a miscarriage, and women ages eighteen (18) to fifty-five (55) who have a net family income of at or below one hundred eighty-five percent (185%) **(which is equivalent to a modified adjusted gross family income of at or below two hundred one percent (201%))** of the Federal Poverty Level (FPL) and have assets totaling no more than two hundred fifty thousand dollars (\$250,000), shall be eligible to receive medical services to the extent and in the manner provided in this regulation. Uninsured women who do not qualify for other medical assistance benefits, and would lose their MO HealthNet eligibility sixty (60) days after the birth of their child or sixty (60) days after a miscarriage regardless of income, and women ages eighteen (18) to fifty-five (55) who have a net family income of at or below one hundred eighty-five percent (185%) **(which is equivalent to a modified adjusted gross family income of at or below two hundred one percent (201%))** of the Federal Poverty Level (FPL) and have assets totaling no more than two hundred fifty thousand dollars (\$250,000), will continue to be eligible for women's health services only. Women's health services are defined as: pelvic exams and pap tests, sexually transmitted disease testing and treatment (the treatments of medical complications occurring from the sexually transmitted disease are not covered for this program), family planning counseling/education on various methods of birth control, United States Department of Health and Human Services approved methods of contraception including sterilization and x-ray services related to the sterilization, and drugs (excluding antiretrovirals), supplies, or devices related to the women's health services described in this rule when they are prescribed by a physician or advanced practice nurse, subject to the National Drug Rebate Program requirements.

(2) Uninsured women who do not qualify for other benefits, and would lose their MO HealthNet eligibility sixty (60) days after the birth of their child or sixty (60) days after a miscarriage, and women ages eighteen (18) to fifty-five (55) who have a net family income of at or below one hundred eighty-five percent (185%) **(which is equivalent to a modified adjusted gross family income of at or below two hundred one percent (201%))** of the Federal Poverty Level (FPL) and have assets totaling no more than two hundred fifty thousand dollars (\$250,000), are not required to pay a co-payment for women's health services.

(3) The Department of Social Services, MO HealthNet Division shall provide for granting an opportunity for a fair hearing to any applicant or participant whose claim for benefits under the *[Section 1115, Missouri's Women's Health Services]* State-Funded Missouri Woman's Health Services Program is denied by the MO HealthNet Division. *[There are established positions of state hearing officers within the Department of Social Services, Division of Legal Services in order to comply with all pertinent federal and state law and regulations.]* The state hearing officers shall have authority to conduct state level hearings of an appeal nature and shall serve as direct representative of the director of the MO HealthNet Division.

(4) **Reimbursement.** Funding of the family planning and family planning-related services, pregnancy testing, sexually transmitted disease testing and treatment, including pap tests and pelvic exams, and follow-up services of the Missouri Woman's Health Services Program shall be from general revenue only and none of the funds appropriated may be expended to directly or indirectly subsidize abortion services or procedures or administrative functions and none of the funds appropriated herein may be paid or granted to an organization that provides abortion services. An otherwise qualified organization shall not be disqualified from receipt of these funds because of its affiliation with an organization that provides abortion services provided that the affiliated

organization that provides abortion services is independent of the qualified organization. An independent affiliate that provides abortion services must be separately incorporated from any organization that receives these funds. Such services shall be available to uninsured women who are at least eighteen (18) to fifty-five (55) years of age who have a net family income of at or below one hundred eighty-five percent (185%) **(which is equivalent to a modified adjusted gross family income for the household size of at or below two hundred one percent (201%))** of the Federal Poverty Level (FPL) and who is a legal resident of the state.

Division Title: Division 70 – MO HealthNet Division
Chapter Title: Chapter 4 – Conditions of Participant Participation, Rights and Responsibilities

Rule Number and Name:	13 CSR 70-4.090 State Funded Missouri Women's Health Services Program
Type of Rulemaking:	Proposed Amendment

II. SUMMARY OF FISCAL IMPACT

Affected Agency or Political Subdivision	Estimated Cost of Compliance in the Aggregate
Department of Social Services, MO HealthNet Division	Annual loss of federal funds \$8,315,212

III. WORKSHEET**State Funds:**

General Revenue	\$2,258,921
Federal Reimbursement Allowance	\$ 167,756
Pharmacy Federal Reimbursement Allowance	\$ 49,034

Federal Funds: **\$8,315,212**

Total Funds: **\$10,790,923**

Estimated loss of up to \$8,315,212 federal funds to be replaced by General Revenue

IV. ASSUMPTIONS

The estimated loss in federal funds is the result of the Department of Social Services, MO HealthNet Division's statutory obligation to abide by the provision of *Truly Agreed To And Finally Passed Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill NO.2011 98th General Assembly Section 11.550*. The Governor recommended federal funding for the Women's Health Services program for FY 2017; this is consistent with how the program had been funded in the past. The final Truly Agreed To and Finally Passed (TAFP) budget, Section 11.550

that funds the Women's Health Services program for FY 2017 has no federal funding authority for funding family planning and family planning-related services, pregnancy testing, sexually transmitted disease testing and treatment, including pap tests and pelvic exams, and follow-up services provided to uninsured women who are at least 18 to 55 years of age with a family modified adjusted gross income for the household size that does not exceed two hundred one percent (201%) of the Federal Poverty Level.

To comply with Section 11.550 (HB 2011 – 2016), the State-Funded Missouri Women's Health Services Program will not cover or pay for services provided by an organization that also provides abortion services. With the addition of this provision, Missouri cannot comply with the terms and conditions of the Title XIX (Medicaid) federal waiver and receive Title XIX federal funds to help pay the costs of the program. General Revenue is budgeted to cover those costs paid by federal funds in the past.

All women enrolled in the federally-funded Section 1115 family planning demonstration will be automatically enrolled in the State-Funded Missouri Women's Health Services Program. The available services will remain the same. Only the provider qualifications have changed. There will be no additional cost for woman finding a provider who does not provide any abortion services.

Background

The individuals listed in this notice have recently filed applications

requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.

Public Participation

If you want us to notify you that we received your comments, please include a self-addressed, stamped envelope or postcard.

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may

renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.
